## DYE GARDEN UPDATE

Dye garden plants are growing slowly but surely in a few dye-hardship homes and greenhouses. The dye garden itself is ready for spring clean-up and preparation. Right now it looks like we will be able to do this soon. Be sure to let Kate or Gail know if you want to be on the dye garden email list, or if you need to update your email address on the list. I will get a list to the next guild meeting.

Due to the warm winter, the planting day might be earlier than the first week of June.

## OCTOBER Fall Festival of Fibers

The Planning Committee met at the Weaving Studio and have schedule another meeting toward the end of May at the Musk Ox farm classroom if available. Discussion was centered around a location for October 22 or 29<sup>th</sup>, 2016. Topics discussed included demonstrations of different fiber techniques, wool producer's presentations and vendor sales tables and bringing up a nationally known knitter for workshops and presentations. If you are interested in participating or volunteering to be part of this Fall Festival, be sure to contact and place your name on the update list. Avril E.
