GUILD MEETING

Wednesday, APRIL 5

TIME: 6:00pm Snacks 7:00pm PROGRAM

Location: WEAVING STUDIO, Rm. 219
 516 2nd Avenue, Lathrop building

LOCK SPINNING with BECKY HAMMOND

Ever seen the amazing lustrous fiber mohair and felt at a loss in how to deal with it in spinning. I raise colored angora goats along with sheep and angora rabbits and mohair has always been my favorite fiber to spin, especially

lock spinning it. This technique is very freeing and produces a very textured yarn that show off the locks as they come off the goat. Bring your spinning wheel.

I will be bringing some extra fiber so you can try it out.

For show and tell: Bring your funky, fashionable and unusual fibers that you have spun.

Spinning wheels available at the studio are:

Louet, Clemes & Clemes and Ashford
