PRESIDENTS LETTER

Hello Fellow Guild Members,

I just wanted to say a quick hello to old friends and new as I take on the President's role this term.

For those of you who don't know me, I'm a past board member and former president. I have a couple of looms and a studio space at my home in Two Rivers. I'm a fairly active weaver and usually have a couple projects going at any one time.

I'm currently working on curtain fabric on my big loom and a series of vest fabrics on my rigid heddle loom. I'm really enjoying the rigid heddle for using up odds and ends of handspun or specialty yarn as weft on leftover sock yarn warp. I feel pretty thrifty putting my leftovers to good use (well, except for that extra sock yarn I may have bought because I thought it'd make a pretty warp).

I haven't been very active with the guild for the past few years due to schedule conflicts but I'm looking forward to playing a more active role going forward.

I just returned from a vacation that included a trip to the Art Institute of Chicago. Attached is a photo of a beautiful Chilkat

Dance Blanket from their collection.

I hope to catch up with you all at the Potluck at Gayle Hazen's studio!

Good Weaving!

Kim Korten Hof
