Contact FAA at 456-6485

We are looking for a Cabin 13 Artist for
Sundays from 4-8PM and

Thursdays from Noon-4PM, 4-8PM, or Noon-8PM

Fairbanks Arts Cabin 13 Artist Co-Op is currently made up of 7 local artists who work together to market and sell their handmade works of art, and they would like you to join them! Each co-op artist has a day in which they staff the cabin. During your time in the cabin you are welcome to work creating your art and engage with visitors. The best part about being one of the Cabin 13 Artists, you don't have to have a large inventory! You can start small and add more inventory as the summer progresses.

FOR YOUR INFORMATION

REMOVING DYE COLOR: to remove color from fabric or yarn, a representative from Cushing Dyes makes this suggestion. Mix a weak solution of ammonia and detergent soap like Ivory or Tide. Simmer yarn in solution until the color comes out and then rinse thoroughly. Reliable sources tell us this method does work!
