GUILD PROGRAMS FOR 2009

Our theme: THE YEAR OF THE MEDICINE WHEEL AND
 HEALTHY LIVING

*Our purpose: To weave topics together from meeting to
 meeting which help us explore ways in which fiber arts can
 enhance our health and sense of well being. This will include
 experiential hands on projects, as well as tips for health and
 longevity. How can we use the gifts our arctic environment
 has to offer as we explore novel ways to uplift ourselves
 through the challenges of life in our unique climatic setting?*

**MARCH 4 7:00PM Wed. "GIFTS from the BIRCH
 from the Bark, the sap, the oil"**

Barbara Ebberson will share her experiences from last
 summer when she participated in a birch bark basket making
 workshop with Dr. Charles Mayo and former Alaskan John
 Zasada. Sample homemade birch syrup - great for anyone
 with birch allergies and learn about the additional benefits
 from our tree of the North.

Bring any birch bark baskets, ornaments or pictures to share.

APRIL 1 5:30pm SAT. ANNUAL MEETING

Check the MARCH newsletter for the location for
 the Annual meeting.

FOR everyone who missed the last GUILD
 MEETING: A number of ALTER EGO'S were
 needlefelted by those who attended. (A Jester with
 hat & bells, a fish for a biologist,
 a cat toy with buttons & bells,
 several flowers with watercolor painted pedals.
 Thanks to Devta for all the programs.
