## DYE GARDEN UPDATE

The garden is growing and blooming. The plants survived the hot dry spell & now they are getting a nice soaking, that means that the weeds will go wild. Anyone with weeding on the mind is welcome to stop by and pull weeds. Bring a bag so you can remove the weeds to the garage door for the GBG staff to handle. The GBG is starting a volunteer evening for those of you who are interested in volunteering as a group with other folks! **We will hold them every other Wednesday from 5:30-7:30. July 6, 22, Aug 3, 17, & 31**

The above dates would be good for us to use as the garage will be open and it is nice to have company. I will try to make it to as many as possible. Introduce a friend to the dye garden. Members, friends & volunteers are needed. Those who enjoy the natural dyes should get out & weed. **Call Gail Mayo 479-2954 for instructions.** She will meet with anyone who doesn't know what or how to weed, or wants company. Mordant your yarn now & prepare for the fall natural dye workshop. For mordant instruction's:

See [www.fairbanksweavers.org](http://www.fairbanksweavers.org)

## Presidents Letter

This summer's mixture of sun and rain should be good for the dye plants, and unfortunately the weeds, in your garden and at the Georgeson Botanical Dye Garden. Don't forget that help is needed to keep the weeds at the Dye Garden under control.

Of course, it will be a pleasure to drive out to Kim Kortenhof's home off Chena Hot Springs Road for our summer picnic and potluck on Sunday afternoon, July 10.

I hope you are sorting through your recent projects to decide what to enter in the Tanana Valley State Fair of your weaving, spinning, dyeing, basket making or bobbin lace. It is always great to have a wide variety of entries showing the public what we are about. Some divisions are finding entries are falling - let's try to keep our exhibit space full with the many talents we have in our membership.

The help of members, friends and family are needed to make the Division 10 exhibit a success each year. This past year, very few people came to do the judging on Sunday and to help with the booth set-up on Wednesday. Please think about putting in a few hours to help make our booth a success.

As I am sure is mentioned elsewhere in the newsletter, our building has a buyer at last. At the present time, we don't know what effect this will have on our rent cost. Only time will answer this question.

If we can get 20 more students to register for the youth classes in August, the Guild will cover our expenses for the coming year if our rent remains stable. Maybe you might treat a nephew or niece or grandchild or godchild or neighbor child to one of these classes. (Thanks to Ruiz Ann Kegler for this idea). Check with Penny for availability of youth class spaces in August. Penny will be travelling for part of July, so try contacting her then through the Guild email at [info@fairbanksweavers.org](mailto:info@fairbanksweavers.org).

I hope to see many of you at the Guild Picnic or helping with Division 10 booth setup.

Jodi Gouwens, President

### LOOKING FOR A NEWSLETTER EDITOR

Anyone interested in helping with and taking over the newsletter for the Guild. The format is pretty easy and can be changed to what ever. I can still help collect news, workshops ads etc but am having trouble with my eyes. Doctor said they have seen too much so are starting to fail. Guess that happens with age, so he says. Old Ha

Natural Dyed Skeins from the first workshop.

What fun. I spun up a singles of my naturally brown alpaca from "Harmony" - one of my girls, and another singles of multicolored merino/rambouillet/new zealand wools that were handdyed with Sabraset dyes in the solar oven on my deck, then plied them together. Zoom in to see the interplay of colors :-)

HI THERE

We have four (or 5) raw Icelandic sheep fleeces from an April shearing. I can't get to processing them, would anyone there be interested?

More than anything I want them to get used. . . if someone would like to send a small skein of yarn back to the farm or a small donation (we are 501c3) that's great, but not my objective in contacting you. I simply don't want voles making nests in the fleeces!

Thanks,

Cat Whitney, Turning Light Farm
